REPORTS

SUPERINTENDENT OF MISSIONS REPORT

How does one say farewell to a rewarding work that has been so much a part of his life for thirteen years? Words alone won't do it. Tears may come close but they, too, are inadequate. All I know to do is to try to express my gratitude for the thousands, including more than 250 preachers, whose lives have touched mine; to say thanks to the hundreds of volunteer workers whose contributions of time, talent, and concern have in large measure been responsible for any achievements in the years; to my predecessors, Lewis Ludlum and Tom Bray, for laying the foundation and making my work lighter; to the four office associates, Mrs. Fred Cornwell, Mrs. Fred Crisp, Mrs. Bill Dover, and Mrs. Thomas Petty, who have worked faithfully behind the scene in responding to the many and diverse calls that come to our office; and to my patient and understanding companion who has made a home for me where I found refuge from the hurts of life and encouragement for its tasks.

I pledge my continued support to World Missions, of which Associational Missions is an increasingly vital part, and especially to my successor in the post of Superintendent of Missions.

My prayer for you may be found in the words of the Apostle Paul as he prayed for the church at Philippi.

> "And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and may be pure and blameless for the day of Christ, filled with the fruits of righteousness which come through Jesus Christ, to the glory and praise of God." Phil. 1:9-11 RSV.

Respectfully submitted,
C. O. Greene

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Mr. Joseph E. Cabaniss for the year ending September 30, 1972.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and cancelled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1972.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year and therefore we have nothing to report.

ASSOCIATIONAL SUNDAY SCHOOL REPORT
October 1971—September 1972

God is in the people business. The great passion of the heart of God is to reach people. The advent of Jesus Christ into human history was for the express purpose of bringing man to know God through personal salvation. The entire story of God's revelation of himself is the story of a God who cares about man.

The associational Sunday School ministry for this past year was oriented toward this concept of reaching people for Jesus Christ. The name of this emphasis is "People to People." We have participated in and sponsored the following work during the past year:

1. In February, a team of twelve workers represented our association at the First Baptist Church in Lincolnton for a regional Sunday School People To People Real Life Conference. As a result of the conference this team conducted two Real Life Conferences in our association at First Baptist Church in Shelby in the spring and at Westview Baptist Church in Shelby in the fall.

2. Mr. Gary Southard, our Associational Vacation Bible School Director, led our association in two Vacation Bible School clinics: one in Kings Mountain and the other in Shelby.

3. Presently, many of our churches are involved in the People To People emphasis which we hope will result in many lost people coming to know Jesus Christ as their personal Savior and Lord.

This program will be continued throughout 1972-1973 and will culminate in an Associational Bible Conference to be held next fall.

We appreciate the opportunity to serve our Lord and stand ready to serve you in any way we can. One closing word, there are people in our own families, our communities, and our neighborhoods who are lost; they need our love and our witness. Can we see them and love them? Jesus said, "Look on the fields; for they are white already to harvest. Pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." If we do not supply the labor, the harvest will be lost.

James P. Wall
Associational Sunday School Director

CHURCH TRAINING REPORT

The Church Training Department has worked to assist the other organizations of the Association this year. There have been no special projects by the Church Training Department for the year.

Special projects are on the calendar for 1973 and 1974. A two-night divisional conference for Church Training Leaders is scheduled for February 19, 20, 1973. A Director-Led Church Training Revival is planned for September 28-October 2, 1974. It is hoped that all of us will give a more serious look and effort toward our responsibility to train church members.

Respectfully submitted,
E. H. Sessom

BROTHERHOOD REPORT

The Brotherhood began its year of activities in November, 1971, with a joint Brotherhood and WMU meeting at the Pleasant Grove Church with emphasis on Missions.

In February, 1972, we had a very inspirational meeting on Witnessing at the Putnam Memorial Church with several men giving personal testimonies.

We joined the R.A.'s at Oak Grove Church in May for the R.A. Conclave and in August our meeting on Stewardship was held jointly with the W.M.U. at Beaver Dam Church.

We have had the opportunity to assist some of the churches in the Brotherhood work this year.

Respectfully submitted,
John H. Hendrick,
Brotherhood Director

WMU REPORT

Praise the Lord! This is an expression we are sometimes reluctant to use for fear of sounding too emotional. But this is how I feel concerning the four years I have had serving as WMU Director in this association.

There have been times when we realized complete failure. We made mistakes, but there were so many mountain top experiences and we cannot dwell on mistakes and failures. The important thing is that we knew we were doing what our Lord wanted us to do and the peace that comes in being in the will of God makes the difference.

The Apostle Paul said in writing to Timothy, "And I thank Christ Jesus our Lord, who hath enabled me, for that He counted me faithful, putting me into the ministry." I thank God for the privilege of service, for He it was who enabled me.

The women of the Kings Mountain Baptist Association are the finest to be found and they have inspired those of us who served on the WMU council. I'm so grateful for those who served so faithfully.

Mrs. W. Y. Ellis, Associate Director
Mrs. Joe Hamrick, Baptist Women Director
Mrs. John Cline, Baptist Young Women Director
Mrs. Joseph Sanders, Acteens Director
Mrs. Harol Wright, G.A. Director
Mrs. Marvin Hamrick, Mission Friends Director
Mrs. Thomas Austell, Secretary-Treasurer

Several new organizations have been realized and many have re-organized.

Now, how can you help in the days ahead? You can read the material that comes to you and keep abreast of what is happening in the Association, the State and the Southern Baptist Convention. You can be faithful in attendance at meetings and call on your associational officers for help when you need it. Mrs. McSwain and the WMU council will need your prayers and your support. Be faithful in this too.

We pray that the WMU work will forever be going forward under the direction of "The King eternal, immortal, invisible, to Him be glory for ever and ever."

Respectfully submitted,
Mrs. W. D. Ledbetter
WMU Director

MUSIC REPORT

This has been a good year for the music ministries in our churches. The enrollment is at an all time high, as is the weekly attendance. Many churches have sought information regarding the various aspects in designing choir rooms,

choir lofts in sanctuarys, etc. Also, conferences have been held advising the selection and purchase of music. Others have sought information concerning musical instruments.

The high point of the year was the gathering of over 200 young people, under the direction of Susan Wilson, to form the choir for Kairos '72. Also during the year, young people from our churches sang for the North Carolina Baptist Youth Convention in Raleigh Coliseum with 8,000 attending, and in August the North Carolina Youth Evangelism Night in the Greensboro Coliseum with 14,500 attending.

Currently there are 511 teenagers from 78 churches meeting each Tuesday at First Baptist Church in Shelby singing the musical "Christ Is Risen, Jubilation." During each rehearsal there is a time of chorus singing, hard work preparing the musical, and ending with testimonies and prayer. Of these 511 teenagers, 303 come from 33 churches in the Kings Mountain Baptist Association. These young people are from every high school, junior high school and college in Cleveland County. Presentation of this program will be after January 1st.

Dr. Phil Perrin of Gardner-Webb College is the director of the Cleveland County Community Chorus. Many of our Baptist adult choir members enjoy singing with this group. Last year they presented three programs.

Respectfully submitted,
Van H. Ramsey
Music Director

CHURCH LIBRARY REPORT

Our Church Library directors have been busy this year participating in many and varied activities to promote library materials and relate them to the over-all program of the church. These include reading clubs, special promotions for special weeks and days by displaying materials for instigating and supplementing programs, encouraging groups to visit the library in a body on special invitation from the director, and making reading and listening materials available to shut-in and inactive members. Some libraries are receiving memorial books and we are pleased that these "living memorials" will continue to provide so much good reading material for so many people.

We now have in the association 31 church libraries with a collection of approximately 25,500 books and an annual circulation of nearly 20,000. One new library has been added this year and six directors have attended state and/or regional Conferences.

Plans are being made for other interesting and beneficial activities in 1972-73 as more people are now realizing the importance of the church library.

Respectfully submitted,
Ruby Irvin,
Library Director

REPORT ON WORLD MISSIONS: STATE, HOME AND FOREIGN

The Lottie Moon Christmas Offering for Foreign Missions in 1971 was an all-time high . . . $17,833,810.22. Our hearts are filled with praise to God for

this remarkable outpouring of Christian generosity and missionary concern. The Foreign Missions $36 million-plus budget funding depends primarily on the Cooperative Program unified budget of the Convention and the annual Lottie Moon Offering in local churches.

This month the Baptist Men's Journal will become a monthly publication rather than a quarterly. It will give a far more comprehensive coverage of Baptist work abroad. Foreign Missions Hotline I will begin October 1 and will continue through December 31, 1972. If you wish to call, the number is: (703) 355-6581. You may secure the latest up-to-the-minute reports direct from headquarters. This line will be open during these three months 24 hours a day.

Convention-wide receipts from January/July, 1972 through the Cooperative Program amounted to $16,000.63 . . . . . for the same period the total designated was $23,994,225.

The estimated total Cooperative Program gifts through our State Office was $8,000,000. The proposed budget to be sent through the State channels this year, 1972/'73 . . . $8.5 million . . . an increase of $5,000,000 over last year.

Of the funds going beyond the State, Home Missions receives 6.07%. Our Home Mission Board is doing a wonderful job with the small percentage allotted to it.

We have much of which to be proud and grateful, but the fact is we have the habit of coming up with "too Little too Late." May God help us to follow the example of the Macedonians: "They first gave their ownselves to the Lord." Then we are told they brought an offering beyond their ability to give.

Respectfully submitted,
Oscar Funderburke
World Missions Representative

MEMORIALS

In Revelation 14:13 we read: ". . . Blessed are the dead who die in the Lord henceforth. Blessed indeed, says the Spirit, that they may rest from their labors, for their deeds follow them."

In order that we may appreciate life, the reality of death must be recognized. All are human and mortal. The emphasis for a Christian is on the quality of life, and the need to live life to its fullest extent.

We pause today to remember those who once walked along with us, and to thank God for their influence in the world. Even today, the lives of ten good men, or women, can save a city from destruction.

It is not just the great or the famous that we honor, but the average person that has influenced the community by a good life, lived quietly, among hardships, and whose Christian witness and character have been shown by his actions.

We recognize the many contributions made by those that have passed on, and we thank God for them, and for what they have brought to our lives. From their memory may we draw resources that will strengthen us as we live.

Respectfully submitted,
R. Allen Jolley

BEAUTIFICATION REPORT

I have had occasion to consult with several interested people about tree problems on church property during the past year. Please keep up the proper maintenance and care of all your existing trees and add new ones where feasible and practical.

The Gardner-Webb College staff is doing a fine job, and the new trees they have added are really outstanding. Keep up the good work and future generations will be thankful that you helped keep North Carolina beautiful.

The most magnificent monument you can leave will be the planting of trees to make your home, your church, and your country a more beautiful place in which to live. The Lord will help you in this worthwhile endeavor. Good Luck!

Sincerely yours,
H. C. Wilson
Beautification Committee Chairman

REPORT TO THE HISTORICAL ASSOCIATION
October 17, 1972

"He that keepeth Israel shall neither slumber nor sleep." Psalm 101: 4

The Historical Report to the Association this year is brief. We haven't done much. Mrs. Othello Traywick, who has been our researcher and secretary for

several years moved away when her husband was called to pastor a church in eastern North Carolina. She was systematically researching and reviewing all the pertinent records of the Association from 1851 to the present.

Our Committee sorely misses the services of Mrs. Traywick and are looking for someone on a part-time basis who could continue where she left off. It would be nice if she were also a good photographer, since we want the history to be filled with pictures of our people and their past.

You may see from the Association's Treasurer's report the state of our finances. All of our bills are paid and we have a little nest egg for operation. This is not enough to publish the book, but these funds should come later. Our Committee has proposed pre-publication sale and expect sales after publication to meet the costs.

History is an on-going process and what was commonplace in 1851, 1853 or even 1873 are now historical events of importance and great interest. For example, in 1853 this Association met at the Boiling Springs Baptist Church, where we will be tomorrow. We were two years old and numbered only fifty messengers. We are now entitled to messengers from seventy churches. At the meeting in Boiling Springs, a man named David Hamrick invited all the messengers to go home with him for the night. They all went, had supper and breakfast and a night's lodging.

His wife Sarah was flabbergasted, but not outdone. She had flour and cornmeal and sent her husband David to rob the bees for honey. She churned a big crock of milk for butter and buttermilk. The lodgers ate hoecake, butter and honey and had cornbread and buttermilk. There is no record of more food, but the record says that they had wonderful fellowship as the men slept on the hay in the barn and the women made pallets to sleep on the floors.

This is a precious story of earlier times when life was simple, but religion was very real.

We hope that all the messengers will come to Boiling Springs tomorrow, spend the night if you will, but don't look for hay in the barn, or for hoecake and honey. However, we will try to provide fellowship akin to that of 1853.

Let me urge every church to continue systematically recording its history, especially the simple human, personal things, as well as the business matters.

Respectfully submitted,
W. Wyan Washburn

ANNUITY BOARD REPORT

Help!. Help! That cry is often heard across the bounds of the Southern Baptist Convention. This call comes from ministers, their families, and others who are employed by our churches and conventions. The Annuity Board of the Southern Baptist Convention always makes an effort to answer the cry for help within the limits of its provisions and abilities. Many retired or disabled ministers depend upon this help almost exclusively. Indeed many would likely have to depend on the Welfare system of our government if it were not for the income they receive from the Board.

The Board also provides a very fine insurance plan against illness and the high cost of hospitalization. Widows of deceased ministers who are covered by the Minister's Protection Plan also receive a generous amount at a time when many of them would be left without resources.

We believe every pastor should be covered by this plan, and that the churches which they serve should see to it that the pastor has the help of the church in providing the needed resources in order that he may not be dependent on others after retirement, and that his family will be protected in case of his death before retirement age. This is the best plan we know of for pastors, their families, and other denominational workers. Let us demonstrate our compassion in advance for the men and women who serve so faithfully in the Father's Kingdom.

Respectfully,
W. P. Biggerstaff

SOUTH MOUNTAIN BAPTIST CAMP REPORT
1972

Your camp is being used more and more each year! Late in the fall of 1971 and early in the spring of 1972 church groups came for retreats.

The increasing popularity of your camp prompted us to begin early to prepare for more campers. Repairing cabins, building bunk beds, drilling another well, etc., enabled us to take care of the overflow crowds that came.

Including the staff, our average attendance was 217 each week. 4,000 attended some kind of organized activity and hundreds came to visit our services. Including retreats and special groups there were 390 attending from your association.

Our theme for the summer was "Listening to God." We had a staff of 25-30 dedicated young people who were very helpful in our camp program. Bible study, worship, mission study, and study for advancement helped campers to have a deep experience with God. 1,385 made a decision for Christ:323 professions of faith, 46 commitments for full time Christian service, and 1,016 rededications. Word has been received from a number of churches that their entire church was blessed when campers shared with them their camp experiences. Our mission emphasis made the campers aware that every Christian has a responsibility to share Christ with the whole world.

Our staff, under the direction of Mrs. Rhea L. Ross, developed into a touring choir. We led worship services in 19 churches in which over 250 made decisions for Christ. We were unable to accept all the requests by the churches.

We deposited $36,000.00 into the general camp treasury. This was several thousand dollars more than it took to operate the camp. However, we urgently need the support from churches to enable us to make improvements, build a caretakers home, build a chapel, and finish paying for our bus. Many churches who learn of the way the Lord is using your camp are putting us in their budget.

Respectfully submitted,
T. A. Lineberger, Director

GARDNER-WEBB COLLEGE

R. Patrick Spangler, Chairman, Board of Trustees
E. Eugene Poston, President of the College

Gardner-Webb College received accreditation as a Senior College by the Southern Association of Colleges and Schools December 1, 1972. This means that the graduates who received Bachelors Degrees in 1972 will not be penalized. This was the climax of ten years of diligent work on the part of thousands of people. This could not have been done without the continuing help of the Baptists of North Carolina. The Cooperative Program is the life blood of Gardner-Webb College. The Father's Day Offering gives the transfusion needed to boost the program each year.

The 66th year is in progress. The largest enrollment in the history of the college has been reached—1567 students. These students are being taught by 90 faculty members. There are 176 people on the payroll at Gardner-Webb College, including faculty, staff, administration, and maintenance.

Many innovations are taking place in the academic program—internships in several disciplines, advance placement and credit, individualized instruction, and a limited number in independent study programs. One faculty member is at Florida State University developing computerized instruction for upper bracket courses.

Community Service is a growing part of Gardner-Webb College. This has been a long time concern at the college. Students and leaders go out into churches to serve, faculty members conduct workshops for public school teachers, and students do tutoring service for the economically deprived. The administration serves in the civic, political, and religious phases of community life. The college is becoming a vital part of community life. These three areas of service are being pursued: (1) teaching, (2) research, and (3) public service.

The college continues her capital gifts campaign in Lincoln and Catawba Counties in North Carolina, and Spartanburg and Greenville Counties in South Carolina. A total of $2,471,405 has been pledged. The J. R. Dover, Jr. Memorial Chapel has been completed. The addition to the Webb Administration Building is underway. The building of the new Dover Library will be started in the near future. The Hubert M. Craig Residence Hall will be under construction during 1973. The need for an auditorium-arena is great.

There are 247 students majoring in religion or religious education. Gardner-Webb ranks No. 1 among Southern Baptist Colleges in this area. Financial aid to these students is needed.

As of June 30, 1972, Gardner-Webb College owed a debt of $789,106 to the First Union National Bank of Charlotte. At the date of this report the debt was $766,092 and being amortized at the rate of $11,195 per month plus interest.

The College is proud to be a part of the family of the Baptist State Convention of North Carolina, ad pledges her support of the State and Southern Baptist Conventions and the Baptist World Alliance.

The purpose of Gardner-Webb College is clear and concise—"To develop quality Christian students who think for themselves, and who will dedicate themselves to the Christian way of life in the vocation of their own choice."

BAPTIST HOSPITAL REPORT TO ASSOCIATIONS

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months—i.e., one in approximately 17,000 applications for admissions—was not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operating "in the black."

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and outpatient clinic, is scheduled to be completed by 1973. This will conclude the present development program.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

Respectfully submitted,
John C. Hamrick

1972 COOPERATIVE PROGRAM REPORT

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Cooperative Program giving?
2. Will you pray for your missionaries and other Cooperative Program causes each day?

Respectfully submitted,
Carlos Young

1972 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

The BIBLICAL RECORDER is nearing the 100,000 mark in circulation--thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the RECORDER. During the year, Woodrow W. Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

This was also the year that the RECORDER went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed world.

Respectfully submitted,
J. Marse Grant, Editor

PIEDMONT AREA REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1972

For the past eighty-seven years, North Carolina Baptists and their Children's Homes have cooperated in a program of Christian child care. This relationship has been characterized, on the part of the agency, by a sensitivity to real needs and a commitment to the best in child care. On the part of North Carolina Baptists, there has been a lasting commitment to child care expressed in generous and enthusiastic support of the agency's ministry.

This annual report finds the agency vigorously pursuing its basic purposes. Changing patterns of family life and the involvement of government in social ministries profoundly affect the number of children needing our care and the types of care needed. More and more we are being asked to serve children with special needs beyond neglect and dependency: emotional alienation from family; trouble with the court; borderline retardation; emotional disturbance which requires professional treatment. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Baptist Children's Homes will not be content to provide minimal care only. We are committed to quality care which serves the whole person, providing the experiences and relationships which can enable the child to develop his full potential. Quality care costs. It makes heavy demands on the individual staff member in his involvement with the child. It requires more staff members for the number of children served. It necessitates the purchase of supplementary professional services, such as medical and psychological specialists. But the cost is really an investment in the future of the children served, and we believe it is the best investment of life and money we can make.

The Children's Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. The Ten Star Builders' Program is enlisting the support of Eastern North Carolina for Christian child care in that section of the state. Mills Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. Across the state, renewed effort is being given to the enlistment of foster families. Expanded services to families are being initiated.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptists. Our Baptist friends have demonstrated through their interest and support that they believe in what we are doing. The Cooperative Program continues to be the life-blood of our financial support. The 1971 Thanksgiving Offering channeled $400,000 into our ministry of child care. Special gifts and bequests from individuals continue to provide for capital improvements. We deeply appreciate this generous support, and we pledge ourselves to continue this ministry of child care in the name of Christ and on behalf of North Carolina Baptists.

ON
NORTH CAROLINA BAPTIST HOMES FOR THE AGING

In our Baptist Homes for the Aging, we feel that there is no relationship more important and more blessed than the one that we have with our Baptist people in our Baptist Associations throughout the State. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving. It is with a deep sense of gratitude to the Lord and to you that we bring this report on our Baptist Homes for 1972.

This has been the best year that we have ever had in our twenty-one years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30% of the total operating budget in

the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of Heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accomodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro. He and Mrs. York gave $80,000.00 for the construction of this new Wing, and the additional money needed was raised by the Trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

ASSOCIATIONAL BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so—Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use of the foregoing methods in providing for

any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

If you have any further questions or need a representative to visit you, you may contact The North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, North Carolina 27611.

EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. 6,000 youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications and the Division of Church Programs sponsored a Statewide Communications, Evangelism and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

Almost 20,000 youth, pastors and adult leaders are expected to attend the 2nd Statewide Youth Evangelism Night on August 18 at the Greensboro Colisum It is evident that God is working through Christian youth today to share His Gospel in a thrilling, significant manner.

Let us rejoice in the excellent reports of revival meetings, city-wide evangelistic crusades and associational evangelism clinics during the past year. It is our hope and prayer that we shall continue to have a strong increase in baptisms this coming year that many more persons may experience Christ by genuine faith commitment.

The 27th Statewide Evangelism Conference will be February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.
